

Piney Creek Farm

54 Acres, Free Union, VA

Stunning views and rolling hills abound at Piney Creek Farm. This lovely farm is situated on 54 mostly open acres in the Free Union area. Located on Wesley Chapel road close to the Farmington Hunt Club. The old farm house sits on a small knoll in the middle of the property and is surrounded by rolling pastureland with several streams and springs, gorgeous mountain views and offers a great deal of privacy. Beneath the clapboard siding one half of the house is a chestnut log cabin circa 1850. There are also several other building sights on the property as well as four division rights. This land has fabulous potential whether as a restoration, a new home site and/or a small horse farm.
